

## QUB LINKS TRAINING SCHEME FOR ALL MEMBERS

Welcome to LINKS at QUB. Before you go out on duty a number of courses must be completed. Unfortunately some of them are time consuming but they are worth it when you have the opportunity to help other people at major events. This log sheet when completed must be photocopied and returned to the training coordinator before you become operational. This is in addition to the standard Northern Ireland requirements as detailed in your member's personal record book
